Re: Notice of File Closure for Exploration Activities, Twin Peaks Project, E/027/036, Millard County, Utah

Dear Mr. Aguiar:

This letter is to notify you that the file, E/026/036, for the Twin Peaks exploration project, located in Section 28, T23S, R8W, Millard County, Utah, will be retired from our files.

The BLM received a new notice from Jack Roberts that he is going to mine this area. The BLM considers Mr. Roberts new notice a transfer of this project from Diversified Stone Products. As this project is located on BLM managed lands, we will accept the BLM's recommendation and close your notice with this Division. You are hereby released from any further mining or reclamation responsibilities at this site. Jack Roberts is now the party responsible for all mining and reclamation activities at this site. You will not have to pay the \$100.00 permit fee that was recently sent to you. If you plan to conduct any future mining related activities in this area, you will need to submit the appropriate notice of intention, pay the Division permit fee, and receive written approval(s) prior to commencing any such activities.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
Senior Reclamation Specialist
